# TRINITY COLLEGE,

HARTFORD, CONN.

**T**HIS College was chartered by the state of Connecticut in 1823, and as this result was chiefly due to the activity and sagacity of the Rt. Rev. Bishop Brownell, he may justly be regarded as its founder. This college does only college work. There is no divinity, law, medical or other professional school connected with it, as it is intended to give a liberal Education, adapted to fit young men to enter most advantageously upon the study of the Learned Professions or a business career after graduation. Its course of study is therefore conservative, adhering to that system which long experience has shown to be most effective. In all essential respects its course of study is similar to that of the leading American Colleges, its requirements for admission with those at Harvard and the twelve associated colleges, of which this college is one, according to the schedule adopted by them some years ago. Its situation is elevated, commanding a beautiful view, and very salubrious. Its buildings are new and unsurpassed for convenience and comfort.

## *COURSES OF INSTRUCTION.*

The college offers four courses of instruction, viz.: I. A COURSE IN ARTS; II. A COURSE IN LETTERS AND SCIENCE; III. A COURSE IN SCIENCE; IV. A COURSE IN LETTERS.

The courses extend over four years, with the exception of the Course in Science, which is completed in three years.

Students completing the Course in Arts receive the degree of Bachelor of Arts. Students completing the Course in Letters and Science, or the Course in Science, receive the degree of Bachelor of Science.

Students who do not propose to pursue all the studies of any of the regular courses are permitted, under the name of Special Students, to recite with any class in such studies as, upon examination, they are found qualified to pursue.

## *SCHOLARSHIPS.*

There are numerous Scholarships. These differ in value, some remitting the charge for tuition, and others both the charge for tuition and that for room-rent in whole or in part. For holders of Scholarships remitting the entire charges for tuition and room-rent, the Treasurer's bills are reduced to \$42.50; and the necessary expense of such students including board and other personal items will not exceed \$250, or \$300 a year.

For Catalogues apply to the President or Secretary of the Faculty.

## \*\*\*AS USUAL.\*\*\*

I met her at the Sophomore dance,  
 Ay, truth she was a queen ;  
 I told her with a meaning glance  
 No fairer maid I'd seen.

She gave me dances, three or four,  
 And sat them out with me ;  
 To love her all my life I swore,  
 And this on bended knee.

I saw her when the morrow came,  
 Alas, it was a blow !  
 I could not recollect her name,  
 And me she did not know.

## The Connecticut Mutual

LIFE INSURANCE COMPANY.

1846 — 1896.

ASSETS, \$62,759,765.95.

SURPLUS, \$7,096,256.43.

The CONNECTICUT MUTUAL renews its plea for pure life insurance: that men whose families need it buy the only thing a life insurance company can really give, the full, absolute, and simple protection needed; that they cease to gamble with it or to try to make a speculation out of it; and to all such the company offers its best and most sincere endeavor, illustrated by its unparalleled record of fifty years.

In the Department for Clothing to Order will be found in addition to a full line of seasonable goods,—all the year round weights in all qualities, with a wide range of price, thereby giving the fullest opportunity for selection.

The particular care exercised by us in the cut, manufacture and novelty of pattern in our **Men's Ready Made Stock**, is also extended to our **Clothing for Boys and Children**, and guarantees exclusive style and the best of value at no higher prices than are frequently asked for garments made in large wholesale lots and of inferior workmanship.

Our Furnishing Goods embrace a most complete assortment of articles in that line for Boys as well as Men; Underwear, Hosiery, Gloves and Neckwear in original shapes and colorings imported by us from leading London manufacturers—also Lounging Jackets, Waterproof Coats, etc.

In this Department we have added a new line of leather and wicker goods, including Luncheon Baskets, Holster Cases, Sheffield Plate Flasks, Riding Whips, Crops, Dog Canes and Golf Sticks.

Catalogue, Samples and Rules for Self-Measurement sent on application.
